ATELIA — GAMFRATESI 2026

1—
3

Atelia explores an intimate and sensitive dimension of design through care, proportion and emotional comfort. The slow design process and attention to detail reinterpret precision and softness of form, rendering a silhouette that is suspended between structure and softness. Warm and composed, Atelia fits harmoniously into any domestic context, bringing balance and timeless elegance.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013. The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
