CHELSEA — RODOLFO DORDONI 2014

1—
3

Like the armchair from the same range, the Chelsea chairs summarises the essence of contemporary design and the memory of tradition. It is an ideal tendency towards the future which brings with it the knowledge. Chelsea is a series of chairs in varied styles, particularly well-suited to dining rooms where the pleasure of good food is accompanied by the pleasure of cultured, cosmopolitan conversation. Master craftsmanship values are expressed by the processing of the highest quality raw materials, from wood, fabric and leather. The details are made with care and passion that ensure the appeal of these extremely versatile seats.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013. The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
