The armchair, on the other hand, was designed for one of the projects closest to Gio Ponti's heart, the villa of the Planchart collectors in Caracas (1953-57). Today the armchair, which is like a cosy shell, has a rigid polyurethane frame, a soft polyurethane counter-frame and a cushion, and is upholstered in the Molteni&C fabrics and leathers range, with the option of differentiating the component parts. In 2016 this "love chair" won the prestigious Wallpaper Design Awards and became a Molteni&C icon.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.
