

Molteni & C

MIDDAY — GAMFRATESI 2026

1—
2

The Midday console recalls the design language and material contrasts of the sideboard. The detail of the joint between the legs and the body appears instinctive - closer to sculpture than to a technical solution. Stone and wood meet without ornament, held together by balance, gravity, and contact. This piece infuses the domestic space with a deep sense of calm, light, and natural elegance.
