## **SURF** *Design Yabu Pushelberg, 2019*

Canadians George Yabu and Glenn Pushelberg, all-round players in the world of architecture, design and graphics since 1980, designed Surf, a modular sofa system, for Molteni&C, after making their debut with Dada, in 2006, with the futuristic Lisola design. Thanks to their experience in the hospitality field and in exploring the nature of organic forms well beyond any traditional approach, Yabu Pushelberg design seating, unfettered by the constrictions of excessive modularity and rich in unexpected details. Ideal for residential or hospitality projects, such as hotels or offices.

I canadesi George Yabu e Glenn Pushelberg, dal 1980 attivi a 360° nel mondo dell'architettura, del design e della grafica progettano per Molteni&C il sistema di divani componibile Surf, dopo aver esordito con Dada, nel 2016 con il progetto avveniristico Lisola. Grazie alla loro esperienza nel campo dell'hospitality e nell'esplorazione della natura della forma organica, ben oltre l'approccio tradizionale, Yabu Pushelberg progettano sedute dall'andamento sinuoso e di grande personalità, libere da costrizioni formali ad alta componibilità e dagli inaspettati dettagli. Ideali per progetti residenziali o luoghi dedicati all'hospitality come hotel o uffici.
