Chelsea

Design Rodolfo Dordoni, 2014

Like the armchair from the same range, the Chelsea chair summarises the essence of contemporary design and the memory of tradition. It is an ideal tendency towards the future which brings with it the knowledge. Chelsea is a series of chairs in varied styles, particularly well-suited to dining rooms where the pleasure of good food is accompanied by the pleasure of cultured, cosmopolitan conversation. With a frame of simple design but elegant proportions, it comes in three backrest options: two with arms, one without. Master craftsmanship values are expressed by the processing of the highest quality raw materials, from wood, fabric and leather. The details are made with care and passion that ensure the appeal of these extremely versatile seats.

Le sedie Chelsea, come la poltrona dell'omonima famiglia, riassumono in sé l'essenza del design contemporaneo e la memoria della tradizione. Chelsea è una serie di sedie molto articolata, che si adatta soprattutto a sale da pranzo dove il gusto della buona cucina si sposa con il gusto per una conversazione colta e cosmopolita. Un telaio, essenziale nel disegno ma raffinato nelle proporzioni, accoglie tre tipi di schienale, due con braccioli e una senza braccioli. Tutto il valore di una maestria artigianale si esprime nella lavorazione di materie prime di assoluta qualità, dal legno al tessuto alla pelle, con particolari fatti con cura e passione che garantiscono il fascino a queste sedute estremamente versatili.
