DIMENSIONS

Sincro door application range:

- Single-door composition: closable compartment opening from 1880 to 4855 mm
- Double-door composition: closable compartment opening from 3715 to 9965 mm
- Maximum height from floor to ceiling (external track) or false ceiling (recessed track) 3000 mm

DIAGRAMS FOR ATTACHING THE TRACK TO THE CEILING (VISIBLE)

Notes

- Maximum height from floor to ceiling 3000 mm
- **Double openings can only be made by matching tracks of the same size.**
- **The anchors for attachment to the ceiling are not included.**
- **The Customer is responsible for verifying the load capacity of the ceiling where the doors are attached, given that the average weight of each door is 28 kg/m². It is important to check the maximum load capacity at the point where the doors are open.**
