

Molteni & C

WOODY — FRANCESCO MEDA 2018

1—
3

This solid wooden structure, features harmoniously linked lines onto which the seat and backrest, both also made of wood or covered with bonded hide leather, are placed. The totally and seamlessly jointed, screw-free construction produces a lightweight, organic effect. Manual glueing with high tenacity glue. The careful ergonomic study makes Woody comfortable, respecting the correct posture of the body.
