

Molteni & C

JANET — VINCENT VAN DUYSSEN 2022

1—
2

Janet is a chair with or without arms featuring a solid wooden frame. Smart and sturdy, it gives a certain presence around a host of different tables. Its constituent parts are carefully and precisely rounded to create a harmonious whole. The frame, printed and made ergonomic by a thin layer of superior polyurethane, is hooked onto the two structure's crossbars, top and bottom. The result is an exceptionally comfortable integrated system of chair and back that develops seamlessly. Janet comes with textile or leather upholstery from the Molteni&C range.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013. The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
