D.153.1 Armchair — GIO PONTI 1953 / 2012

1—
2

Designed in 1953, the D.153.1 armchair is part of the furniture of Gio Ponti's private house in via Dezza in Milan. Brass structure, cover in two-coloured leather or "Punteggiato" fabric, designed by Ponti for Rubelli in 1934. The fabric reinterprets the age-old technique of velvet-weaving, bringing it up to date with contemporary patterns, such as close sequences of staggered disks with various gradations of colour. Exhibited at the Salone del Mobile 2012, the D.153.1 chair enriches the Gio Ponti furnishing Collection.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013. The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
