3

In 2025, Rodolfo Dordoni's Filigree table, a Molteni&C classic, is enriched with new finishes, offering new expressive possibilities for this best-selling product. The structure is now offered with a refined Iridium brown finish, a metallic surface with a warm, soft-to-the-touch tone. This new color, which integrates harmoniously with the entire Molteni&C production, is further enhanced by new tops in eucalyptus wood with inlay.
