REVERSI XL —
STUDIO HANNES WETTSTEIN 2015

Reversi XL, design Studio Hannes Wettstein, is a new version with a deeper seat (112 cm) compared to the Reversi'14. A modular sofa, attentive to the latest trends for soft divans with generous armrests, cushions and hi-tech padding. Available in fabric or leather and suitable for a maximum customisation.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013.
The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.

Dimensions in centimeters and inches. The right to discontinue and make changes is reserved. This information is based on the latest product information available at the time of printing.
