HIGH-WAVE — HANNES WETTSTEIN 2007

1—
5

Severe volumes for amazing functionality. Hannes Wettstein designs “architecture for rest” of classic elegance, without giving up ergonomic comfort. An upholstered bed with classic shape and proportions which is embellished by a vertical cord placed on the padded headboard. The inside of the headboard houses a moving mechanism with two positions to ensure adequate support for a comfortable reading position. All versions in the Wave range can be ordered with a structure equipped with a large storage container. The feet have a shiny chrome finish.

In case of customer slatted base and/or mattress, check the correspondence of the measurements with the standard ones in the price list.

For the versions with lifting base, please consider a mattress weight limit of 45 kg.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013.

The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
