Molteni&C

LIA —
GAMFRATESI 2025

The conceptual and technical research behind this armchair focuses on lightness. Its oak wood structure, combined with a seat suspended between two ends and supported by a light yet solid metal frame, expresses a unique synthesis of aesthetics and technical craftsmanship.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013.
The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
