

Molteni & C

CLIPPER — MDT 2005

1—
2

Echoes of modernism for this armchair marked by the juxtaposition of the padding of the seat and the linearity of the laminated wood backrest, an eterea parabolic shape continues through the entire piece into the back feet. A comfortable but informal seat, and also a useful element in any room. Structure in solid oak wood in the various Molteni&C range.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013. The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
