PICEA — VINCENT VAN DUYSSEN 2024

With the Picea coffee table, Vincent Van Duysen creates a seamless addition to the Outdoor Timeout Collection. Crafted entirely in ceramic, Picea boasts gracefully rounded lines and a harmonious design. Named after the resilient Arctic evergreen spruce tree, this exquisite piece not only exudes durability but also a subtle grace. Balance and functionality are given by the slightly hourglass shape, allowing for a wider base and a comfortable support surface, evoking movement without interrupting the fluidity of the single solid color body.

The product may be used outdoors but requires particular care in the event of rain (see price list maintenance and waterproof cover)
