## REVERSI '14 —
### STUDIO HANNES WETTSTEIN 2014

Reversi '14, design Studio Hannes Wettstein: Stephan Huerlemann e Simon Husslein, a modular, linear sofa which builds on previous experience in a project that keeps pace with current trends. A demand for more softness, wide armrests, and high-tech padding. The seating depth is adjustable thanks to the movement of the backrest mechanism, and allows you to create, both a workspace and a welcoming relaxing space in a single sofa.

This symbol shows that the product has removable upholstery. Only qualified personnel can remove the upholstery of some of our products. If this information is pertinent, it will be included in the warnings section.

This symbol shows that the product is available on request in a fire resistant version that complies with the standards BS 5852 and TB 117-2013.
The buyer is responsible for checking to make sure that the product is suitable and compliant with the requirements for the designated use and the current applicable laws and standards for the destination and use of the product.
