

ODILE — CHRISTOPHE DELCOURT 2025

1—
3

The Odile coffee table consists of two interlocking monoblocks and features a rectangular base in coffee oak, black oak, sunrise oak finishes. The hexagonal-shaped top is seamlessly joined at each vertex and is available in two versions: high-gloss lacquer throughout or enriched with marble, with an edge framed by a band of glossy steel. It integrates seamlessly with the Emile sofa composition.
